

## Euclid Prime 2010 Pricing Information

Euclid Prime is a collection of high-impact, peer-reviewed titles in theoretical and applied mathematics and statistics hosted by Project Euclid. The 2010 collection includes current content from 30 titles—up from 23 titles in 2009. The amount of back content accessible to current subscribers has also significantly increased, as many of the newly added titles are fully retrodigitized. Please see the following page for a complete list of Prime titles.

### Special Option for Renewing Subscribers

To provide additional flexibility for libraries, returning subscribers may renew their subscriptions to the titles included in the 2009 collection at the 2009 price. For pricing and a list of titles, please visit [dukeupress.edu/library/euclidprime](http://dukeupress.edu/library/euclidprime).

### Features of the Collection Include

- full-text searches across the entire collection
- issue-level metadata, including links from each article to MathSciNet (Math Reviews), Zentralblatt MATH, and CrossRef
- COUNTER- and SUSHI-compliant usage statistics
- interoperability through the Open Archives Initiative

### Site License Agreement

Duke University Press requires a site license agreement to grant access to the Euclid Prime collection. To download the license, please visit [dukeupress.edu/library](http://dukeupress.edu/library). ### Specialized Institutions

If your institution offers baccalaureate, master's, and/or doctoral degrees and it falls within the range of 24–33 in the 2005 Carnegie Classification system or is not assigned a classification, please contact [libraryrelations@dukeupress.edu](mailto:libraryrelations@dukeupress.edu) for a price quote.

### International Institutions

Pricing for academic institutions outside the U.S. is based on full-time enrollment (FTE).

|                 |         |
|-----------------|---------|
| 5,001+ FTE      | \$3,900 |
| 2,001–5,000 FTE | \$3,200 |
| 1–2,000 FTE     | \$2,500 |

### Other Organizations

Foundations, research institutions, associations, government agencies, corporations, and other entities will be invoiced based on the number of full-time employees. Please contact [libraryrelations@dukeupress.edu](mailto:libraryrelations@dukeupress.edu) for a price quote.

## **Additional Information**

---

### **Agent and Consortium Discounting and Terms**

Agents and consortia are eligible for a one-time 10% discount on all orders of the 2010 Euclid Prime collection. Agents and consortia may receive a 5% discount on the special offer available to 2009 subscribers (the purchase of current content for titles included in the 2009 collection at the 2009 price).

Duke University Press will not accept orders without end-user information. Final prices must be confirmed through Duke University Press before payment is submitted. Incorrect payments will be returned.

### **Individual Titles Hosted on Project Euclid**

Project Euclid hosts electronic access to a number of titles not included in Euclid Prime. Please visit **[projecteuclid.org](http://projecteuclid.org)** for information on ordering individual titles, as well as a complete list of open-access titles available via Project Euclid.
